

30th August 2024

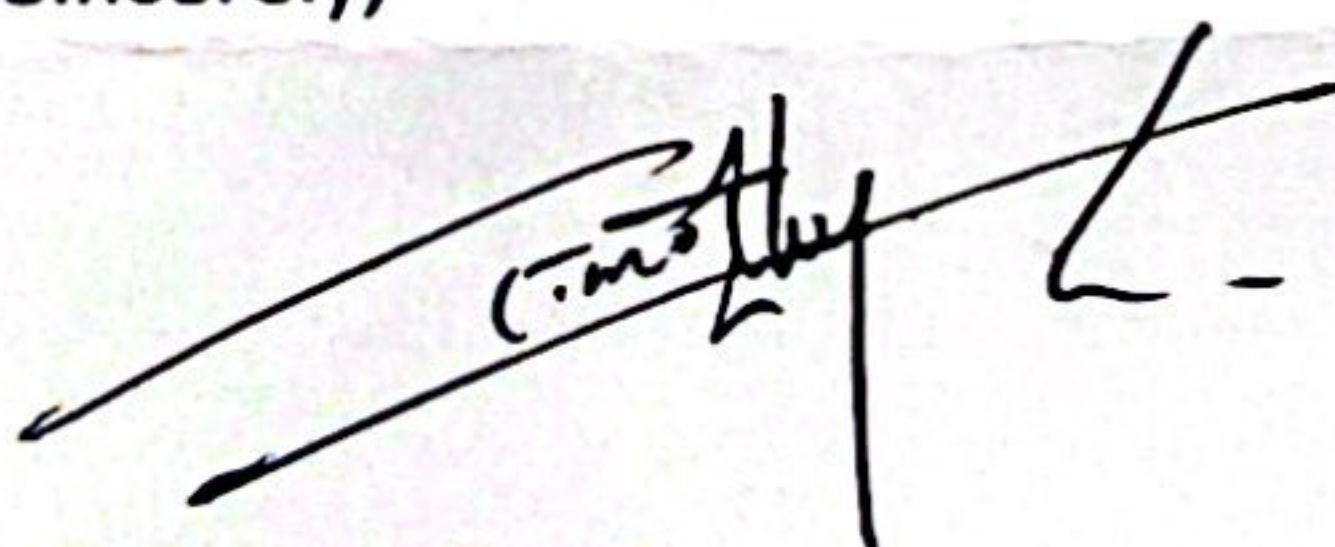

To whom it may concern,

I am pleased to write this letter of reference on behalf of Miss CHEUNG Hoi Ki, Winona in my capacity as Systems Manager of Hospital Authority Information Technology & Health Informatics Division (HAIT&HID). Hospital Authority is an organization to manage hospital and clinics of public sector in Hong Kong, our IT department provides development and implementation services on the Healthcare IT systems in Hong Kong. I believe Winona to be a skilled IT expert which briefly elaborated below.

Winona joined HAIT&HID as Summer Intern in 2024 (11th June – 30th August 2024), during these 2.5 months' summer internship, Winona demonstrated her high ability on learning new skillset in web application development and technical documentation in short period. During the reporting period, she helped to develop web application with the newly learnt SQL statement. Besides, she took part into various meetings with users on requirement collection & user collaboration and share her view with team for streamlining the requirement collection process. She also helped to prepare various test plan for System Integration Test & User Acceptance Test of a public-facing internet web application We appreciate with these deliverables in good quality.

In closing, I recommend Winona highly for the IT field that involves creativity and innovation. She is an intelligent and responsible person who will adopt the new environment easily. If I may be of further assistant with regard to Winona, please email me at leungkn@ha.org.hk.

Sincerely,

Timothy LEUNG

Systems Manager

eHealth Product Team 18

Hospital Authority Information Technology & Health Informatics Division
